NOAH Coveralls

This is an item of arc-flash protective, everyday work wear. Designed specifically for electrical workers in contact with electrical apparatus that poses an arc flash risk. NOAH uses a Permanent FR fabric with excellent breathability for comfort when working.

NOAH meets or exceeds all current European standards for arc flash clothing. The clothing production process is continually assessed under the PPE directive to ensure the garments are of the utmost quality and the wearer can trust their garments to always offer the maximum protection.
