

## Car Fire Blanket V2.0 Pro

### Description:

A **Car** Fire Blanket is the simple but most effective way to extinguish petrol car fires and prevent the spread of EV car fires. It's able to contain the flames, smoke, and toxic fumes in a car fire in seconds and extinguish it in minutes. Car fire blanket can protect our private and public property from huge losses which caused by car fires.

### Date Sheet:

Size:	6 x 8 meters (48 m <sup>2</sup> )/6 x 9 meters(54 m <sup>2</sup> )/Customize
